PRIVACY

- **We respect your privacy.**
Your personal information will not be made public or shared.
- Website profiles display your 'nickname', gender, city and state/province along with your picture (if you post one.)
- Your first and last name, address, phone and email address are never displayed on your profile and will only be used by NASSPDA to contact you concerning official NASSPDA business.
- There is a privacy setting associated with your website profile. The default setting is: PUBLIC, which means that both members and non-members can view your profile online and that your profile will show up in any searches. You may set your profile to PRIVATE. PRIVATE profiles can only be searched for and viewed by other NASSPDA logged-in members.
